

REMARKS

The Office Action of August 10, 2007 and the allowance of claims 30, 31, and 34 has been noted with satisfaction.

In order to secure a patent without further prosecution, the present Amendment cancels the claims that have been rejected. Since this leaves only allowed claims in this application, it is respectfully submitted that the application as a whole is now in condition for allowance. The Amendment also corrects an error in claim 34.

It is believed that the Examiner's Statement of reasons for allowance, on page 7 of the Office Action, includes an inadvertent error, and that "does" should be "does not." Should the Examiner disagree, it is respectfully requested that prosecution be re-opened.

Respectfully submitted,
